

<h1>NYC REMAC</h1>			
Advisory No.	2016-04		
Title:	Maimonides Medical Center Provisional Designation: Level I Adult & Level II Pediatric Trauma Center		
Issue Date:	August 1, 2016		
Effective Date:	August 1, 2016		
Supersedes:	n/a	Page:	1 of 2

The Regional Emergency Medical Advisory Committee (REMAC) of New York City is responsible to develop, approve and implement prehospital treatment and transport protocols for use within the five boroughs of the City of New York. The Regional Emergency Medical Advisory Committee (REMAC) of New York City operates under the auspices of Article 30 of the New York State Public Health Law.

Trauma Center Provisional Designation

- Effective Monday, August 1, 2016, Maimonides Medical Center (H 53) has been recognized as a “provisional” Level I Adult and Level II Pediatric trauma center by the New York State Department of Health.
- Maimonides Medical Center will now accept both adult and pediatric trauma patients.
- **Patients 15 years and older are Adult; patients under 15 years of age are Pediatric.**
- Maimonides Medical Center is located at 4802 Tenth Avenue, Brooklyn, N.Y. 11219.

Current and Updated Protocols can be accessed at the Regional EMS Council website: www.nycremsco.org.

Owners/operators of Ambulance and ALS First Response Services providing prehospital medical treatment within the five boroughs of the City of New York are responsible to provide copies of the NYC REMAC Prehospital Treatment Protocols to their personnel, and to ensure that Service Medical Directors and EMS personnel are informed of all changes/updates to the NYC REMAC Prehospital Treatment Protocols.
