Mr. Raneri,

The Regional EMS Council of NYC has requested the Department of Health Division of EMS complete a fitness and competency review of the following entity and individuals.

New York City Health and Hospitals Corporation

- H+H Maimonides Corporation: Svetlana Lipyanskaya, MPA, FACHE, Chief Executive Officer
- H+H Maimonides Corporation: Declan Doyle, MBA, Chief Operating Officer

- H+H Maimonides Corporation: David O. Lobel, MD, EMS Medical Director

Based on the Department's investigation and review, there appears to be no bar to this entity's nor these individuals' fitness and competency, as described in Article 30 §3005(8) of the NYS Public Health Law, of the individual. This determination is based on the information provided to the Department and the information contained in public record.

If you have any questions, please do not hesitate to contact me at 518-396-7063.

Sincerely,
