There are no such deficiency notices issued with the past 10 years against Jeffrey Shullaw.

As noted in the application, Mr. Shullaw identified one Order on Agreed Settlement issued in Nebraska applicable to Midwest Medical Transport Co. while Mr. Shullaw was CEO of MMT. Notably, this order did not apply to Mr. Shullaw directly. A copy of that Statement was attached as **Exhibit 1** to the application. With respect to Exhibit 1, the administrative petition involved a lapse in certification for two persons employed by MMT. MMT voluntarily reported this lapse upon discovery as required by Nebraska law. No patients were harmed in connection with this lapse. It was resolved to the full satisfaction of the authority having jurisdiction in Nebraska pursuant to the Order on Agreed Settlement attached as Exhibit 1 to the application, which was already provided.
