FACULTY DISCLOSURE:

It is the policy of Icahn School of Medicine at Mount Sinai (ISMMS) to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-accredited educational activities. All faculty participating in the planning or implementation of an activity accredited by ISMMS are expected to disclose all of their financial relationships with ineligible companies existing within the prior 24 months. Relevant financial relationships will be mitigated and disclosed to learners before the activity takes place. Presenters must also make a meaningful disclosure to the audience of their discussion of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.

COURSE DESCRIPTION

This program is designed to provide a targeted overview of the initial triage and management of the injured patient for physicians and other allied health professionals involved in the care of the trauma patient.

EDUCATIONAL OBJECTIVES

At the conclusion of this activity, participants will be able to:

- **Review** management of the injured patient
- **Describe** best practices in the management of spinal cord injury
- **Describe** the evolution of diagnosis and management of vascular trauma
- **List** strategies for optimizing the hospital care of the alcohol intoxicated patient
- **Define** strategies for controlling the innate chaos of the trauma bay

TARGET AUDIENCE

This conference is designed for surgeons, emergency medicine physicians, intensivists, nurse practitioners, physician assistants, nurses, house staff, medical staff, and first responders.

ACCREDITATION

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Icahn School of Medicine at Mount Sinai designates this live activity for the maximum number of CME Credit: **6 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VERIFICATION OF ATTENDANCE

Verification of attendance will be provided to all professionals.
